

John Chrysostom, Homilies on Titus and Philemon

Pauline Allen

In her latest volume on John Chrysostom, Pauline Allen translates into English nine homilies on two of Paul's letters. Included in this collection are six homilies on Titus that deal with Chrysostom's attitudes toward episcopal accountability, the household, marriage, and almsgiving. Three homilies on Philemon address the short letter's inclusion in the canon, forgiveness, honor, the treatment of slaves, and God's punishment. A thorough introduction that addresses the date, provenance, and content of these homilies makes this volume an essential source for scholars and students interested in the development of the church in the fourth to fifth centuries CE.
